

Il cerchio e le sue parti

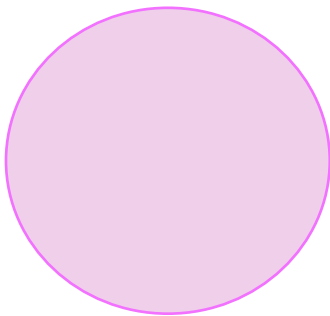

10 anni - matematica

NoiNonni

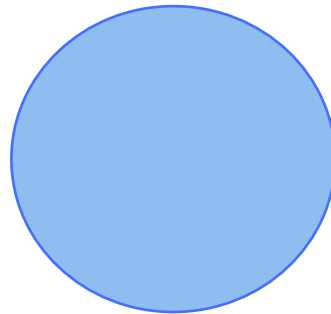

1. Ripassa in rosso la **circonferenza** e il **centro**. Poi colora in giallo il **cerchio**.

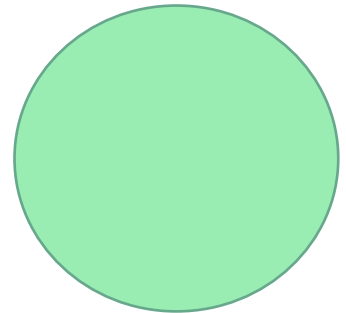

2. Disegna seguendo le indicazioni.

2 raggi

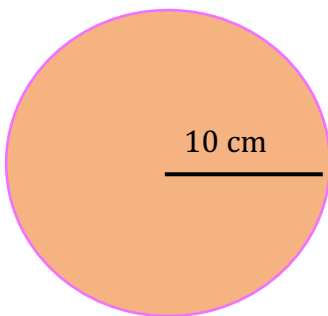

3 corde

1 diametro

3. Applica le formule e calcola.

Circonferenza = raggio x 6,28

Area del cerchio = (r x r) x 3,14

Circonferenza =

Area =
